

Arena Eventing Times

Guidelines for the current COVID-19 situation.

Vaccinations – We kindly ask you that your horses vaccinations are up to date. The booster injection must be given within 6 months prior to the competition. We do understand that due to COVID-19 your vets may not have been able to come out to you, so in these circumstances you will need at least the up to date annual boosters.

Please be aware that after the 30th September 2020 we will be asking everyone to have the 6 month Flu booster done as most vets are now able to come out and catch up on vaccinations.

Photographer – We have asked Simply Events Photos to come on the day and they will be doing online photos.

Spectators – We ask that you only bring 2 people with you so we can keep the numbers down on the show ground to minimize over crowded areas such as the arenas. Whilst on site competitors and visitors are asked to maintain the 2-metre rule.

Managing hygiene -

- Frequent cleaning with disinfectant, paying close attention to common touchpoints like door handles, gates, counters etc. and any shared equipment, such as pens, clipboards etc.
- Hand washing facilities with soap and hand sanitiser will be available at all times whenever possible for visitors/participants. Visitors and competitors are asked to be mindful not to touch unnecessary things.

We will be having a one-way system on the show day, so please familiarise yourself with the map below.

These rules are in line with any government changes.

We thank you all for your cooperation and we are looking forwards to seeing you all again.
