

Guidelines for the current COVID-19 situation.

Vaccinations – We kindly ask you that your horses vaccinations are up to date. The booster injection must be given within 6 months prior to the competition. We do understand that due to COVID-19 your vets may not have been able to come out to you, so in these circumstances you will need at least the up to date annual boosters.

Results and sheets – We would like to ask that you bring with you an A5 stamped address envelope with postage of at least £2 so we can send you your test sheet/rosette so there is no waiting around and minimises numbers on the yard. All Results will be added to our website either that evening or the next day.

Spectators – We ask that you only bring 1 or 2 people with you so we can keep the numbers down on the show ground to minimize over crowded areas such as the arenas and the catering/photographer. Whilst on site competitors and visitors are asked to maintain the 2-metre rule.

Managing hygiene -

- Frequent cleaning with disinfectant, paying close attention to common touchpoints like door handles, gates, counters etc. and any shared equipment, such as pens, clipboards etc.
- Hand washing facilities with soap and hand sanitiser available at all times whenever possible for visitors/participants. Visitors and competitors are asked to be mindful not to touch unnecessary things.

These rules are inline with any government changes.

We thank you all for your cooperation and we are looking forwards to seeing you all again.
